**Mission Statement:** PAPA provides funding and manpower needed to help CCA provide a quality education to each student in the areas of both academics and the arts.

In order to accomplish our mission statement, we will:

- Promote and reward academic achievement.
- Assist CCA in providing opportunities for parents to meet required commitments of time and effort.
- Ensure that CCA property is well maintained, both aesthetically and functionally, within the scope of our responsibilities.
- Maintain such fiduciary accountability that members are confident that their board is acting in their best interest and collected funds is properly allocated.

This group is the parent/teacher/student organization for our school. PAPA is unique because it is a free-standing registered charitable corporation that exists solely to serve the Center for Creative Arts.

We hope that you will consider joining our wonderful organization. Membership is \$5.00 per year.

**Membership in PAPA and support of our fundraisers allows us to fund initiatives such as:**

- The Passion for Excellence Scholarship Fund (solely funded by PAPA)
- Staff support as needed for both artistic and academic endeavors
- Building and Ground improvements and beautification
- Student recognition for Academic Achievement and CCA Spirit Week activities
- Direct contributions to the Library Media Center, National Junior Honor Society, Senior Graduating Class, 8<sup>th</sup> Grade Class, Destination Imagination, Science Olympiad, & Homework Store
